Frontline Gastroenterology publishes articles that accelerate adoption of innovative and best practice in the fields of gastroenterology and hepatology. *Frontline Gastroenterology* is especially interested in articles on multidisciplinary research and care, focusing on both retrospective assessments of novel models of care as well as putative future directions of best practice. Specifically *Frontline Gastroenterology* publishes articles in the domains of clinical quality, patient experience, service provision and medical education.

Stay a step ahead with Online First

We publish all our articles online before they appear in a print issue, keeping you at the cutting edge of gastroenterology and hepatology. Online First articles are available as full text and typeset pdf format. They have not yet been paginated for inclusion in an issue of the journal but have been peer reviewed, accepted for publication and copy edited.

Guidelines for Authors and Reviewers
