

## UpFront

- e1** Highlights from this issue  
R M Beattie

## Reviews

- e3** Greener gastroenterology and hepatology: the British Society of Gastroenterology Strategy for Climate Change and Sustainability  
A M Veitch
- e7** Green endoscopy: practical implementation  
L Donnelly
- e13** Understanding the development and function of the gut microbiota in health and inflammation  
D Selvakumar, D Evans, K Z Coyte, J McLaughlin, A Brass, L Hancock, S Cruickshank
- e22** Epigenetics in IBD: a conceptual framework for disease pathogenesis  
N G, M Zilbauer
- e28** Imaging in inflammatory bowel disease: current and future perspectives  
N Shaban, C L Hoad, I Naim, M Alshammari, S J Radford, C Clarke, L Marciani, G Moran
- e35** IBD therapeutics: what is in the pipeline?  
A Toskas, A Akbar
- e44** Managing IBD in patients with previous cancers  
S E Minnis-Lyons, Z Aiken, S Chow, S Din
- e51** Eosinophilic oesophagitis: improving diagnosis and therapy – reducing the burden of repeated endoscopy  
A Dhar, H Haboubi, M Auth, S Attwood
- e57** Ear, nose and throat (ENT) manifestations and complications of reflux  
S Brar, C Watters, N Watson, M Birchall, Y Karagama
- e65** Transnasal endoscopy: moving from endoscopy to the clinical outpatient–blue sky thinking in oesophageal testing  
S Lim, H N Haboubi, S H C Anderson, P Dawson, A P Machado, E Mangsat, S Santos, T Wong, S Zeki, J Dunn

- e72** Role of endoscopy in patients with familial adenomatous polyposis  
A D Hopper
- e80** Diagnosis and management of Lynch syndrome  
P Edwards, K J Monahan
- e88** Managing inoperable pancreatic cancer: the role of the pancreaticobiliary physician  
C C Yau, J Leeds
- e94** Histopathologist and clinician interface in diagnosis and management of autoimmune hepatitis  
S Flatley, A K Dube, D Gleeson
- e102** What's new in non-alcoholic fatty liver disease?  
J Spiers, J H Brindley, W Li, W Alazawi
- e109** Symptom control in advanced chronic liver disease: integrating anticipatory palliative and supportive care  
M Wright, H Woodland, B Hudson
- e116** Palliative long-term abdominal drains for the management of refractory ascites due to cirrhosis: a consensus document  
L Macken, M Corrigan, W Prentice, F Finlay, J McDonagh, N Rajoriya, C Salmon, M Donnelly, C Evans, B Ganai, J Bedlington, S Steer, M Wright, B Hudson, S Verma, on behalf of the British Association for the Study of the Liver/British Society of Gastroenterology (BASL/BSG) End of Life Special Interest Group
